PHARMA LOGISTICS

BE SURE
WE UNDERSTAND YOUR BUSINESS

For many years, we have worked with pharmaceutical companies to prepare logistics solutions that fulfill industry requirements.

ASSTRA PHARMA LOGISTICS division was established to provide pharmaceutical importers and exporters with a dedicated team of logistics specialists. Our experts have the know-how to provide maximum safety for pharma and medical products during transportation and storage.

We rely on various modes of transport and customized warehousing to ship pharmaceuticals, cosmetics, medical devices, and oversized or heavy medical diagnostic equipment.

All transport services are provided in accordance with Good Distribution Practice (GDP) and relevant legal standards.
